1. The Tuberculosis Clinic at Pyongyang had a staff of two physicians, two medical assistants, and four nurses, as of summer 1950.
2. Dr. KIM Min-song (김민성), born 12 November 1904, at Sinun-ni, Sangwon-myon, Chonghwa County, South Pyongan, was educated at Kwangsong Middle School in Pyongyang and the Pyongyang Medical College (graduated 1934). He assisted in organizing the Communist Party branch in Sinchang-myon, Sunchon County, South Pyongan, in August 1945 and was also a member of the Health League. He was director of the Second People's Hospital in Pyongyang from October 1945 to March 1947, (later called the First General Clinic) head of the internal department of the Central Tuberculosis Clinic in Pyongyang from April 1947 to October 1949, and director of the Pyongyang Tuberculosis Clinic and lecturer at Pyongyang Medical College from November 1949 on. In addition to Korean, he speaks, reads, and writes Japanese fluently.
3. Dr. YI Sang-chu (이성주), born 13 June 1918 at Naekyo-ri, Samwa-myon, Yongkan County, South Pyongan, was educated at Pyongyang Middle School and was graduated from Pyongyang Medical College in 1942. He served as physician at the hospital in Toktong-ni, Taetae-myon, Yongkan County, from August 1944 to December 1948, then as physician of the First Pyongyang People's Hospital from May 1949 to August 1949, and as physician of the Pyongyang Tuberculosis Clinic from August 1949 on.
4. In addition to trainees, minor technicians, and service employees the other personnel at the hospital are the following:
 - KIM Kyong-ae (김경애), born 12 October 1926, assistant medical member.
 - KIM Yong-il (김용일), born 21 July 1927, X-ray technician, North Korean Labor Party Membership Card No. 703276.
 - CH'OE Sun-ae (최순애), born 25 April 1927, chief nurse.
 - KANG Kyong-ae (강경애), born 20 March 1930; HONG Chong-sun (홍정순), born 5 January 1932; and CH'OE Kum-pok (최금복), born 1 August 1929, nurses.
